UNY PMP Certification Examination Workshop

The Chapter presented its third Project Management Professional (PMP) Certification Examination Workshop September 21 - November 16. Twenty-six chapter members attended the nine-week workshop held on Tuesday evenings at KeyBank. The workshop participants rated the program an average of 9.0 out of 10.0 and their feedback consistently noted the quality and enthusiasm of the facilitators.

Fourteen chapter PMPs facilitated the sessions, offering their valuable experience as project managers and their first-hand exam knowledge. Thanks to Paul Hauschen, Connie Cockrell, Steve Andersen, Randall McHale, Brian Blakey, Ron Piracci, Francis Fleury, Terry Komer, Christine Scime, Art Fowler, Diana Pinto, Jon Haverly, Deb Snyder, and Joe Hoopes for volunteering their time. A special thanks to Lari Greenleaf and KeyBank for hosting the sessions.

The Chapter will be presenting the Spring 2005 workshop March 1 - April 26 at KeyBank in Corporate Woods. Chapter PMPs who facilitate a session will earn 10 PDUs for recertification. Please contact Paul Hauschen, VP, Education and Certification, at phauschen@hotmail.com to express an interest and receive details on the program.

Reporting Chapter Meetings for PDUs

When submitting PDUs for our chapter meetings, please use Category 4: Other Providers. Category 3 is reserved for PMI Registered Education Provider reporting. We have looked into the REP program and the board has decided the annual registration fee is not the best use of chapter funds. Instead, use Category 4 and enter our chapter name and email address for provider information. Your documentation will continue to be the receipt that you receive at the registration table.
